40 Design Thinking Success Stories

accidentaldesignthinker on September 16, 2017

I'm incredibly optimistic of the power of DT but also always on the lookout for design thinking success stories and examples. As I've shared my knowledge of design thinking with others, I've frequently been asked how often it delivers demonstrable results and how broadly it can be applied. Below is my collection of design thinking success stories that have helped reinforce my conviction that design thinking can deliver incredibly powerful results and be applicable to everyone.

Consumer Packaged Goods

- ***Braun*** – Creating a Better Oral B Toothbrush
  - Designing a Simplified IoT Electric Toothbrush
- ***PepsiCo*** – How Indra Nooyi Tured Design Thinking Into Strategy
  - Indra Nooyi HBR Design Thinking Interview

- ***Procter & Gamble*** – Classic Oil of Olay + DT Case, often Cited by A.G. Lafley
  - Using Design Thinking to Guide Product Development for Oil of Olay Brand

Education

- ***Design Thinking Success Stories for Educators*** – Good collection of K-12 DT Cases
  - Design Thinking for K-12 Educators

- Designing Your Life – Insight into the Most Popular Class at Stanford!

If you're at the beach and would rather read an actual book full of design thinking case studies, I'd recommend ***'Solving Problems with Design Thinking: Ten Stories of What Works'*** by Jeanne Lietdka.

In summary, there are plenty of available and powerful design thinking success stories, that will hopefully increase your conviction in the strength of DT. I'm always on the lookout for new examples and will continue to add to this list. Please don't hesitate to share any great examples that I'm missing and continue to check back in as this list grows in size!
